

REQUEST FOR PROPOSALS

Background:

Yukon Agricultural Association (YAA) is in the process of developing an agricultural fairground on 160-acre property located at kilometre 206 on the North Klondike Highway. An arena was completed last year with perimeter fencing. Interior roads were built in 2014 with additional fencing around some sections, as well as the entire property.

Project Details:

YAA is seeking to construct bleachers and a boardwalk for the east side of the livestock arena. Views of the arena are accessible via this webpage:

<https://yukonag.ca/infrastructure/agricultural-fairgrounds/>

For more information about the property, visit:

<https://yukonag.ca/infrastructure/yaa-land/>

Criteria for this project:

- Proposals must include drawings for bleachers with seating for approx. 150 people, as well as information about cement foundations and site preparation
- Bleachers must be built at a height suitable for the perimeter fence
- Bleachers must meet all required safety precautions/regulations – e.g. height of railings
- Proposals must include project drawings, as well as details about foundations and site preparations
- Final construction must have an engineer's stamp of approval
- References are required

Process:

- Proposals must include a quote for all expenses related to labour and materials, as well as proof of WCB coverage
- One site visit is scheduled for all those interested in bidding: 12pm on Friday, March 27
- To register for a site visit, call 867-336-8580 or email office@yukonag.ca
- Proposals must be submitted to office@yukonag.ca by 9am on Friday, April 3
- The successful bidder will be announced on Friday, April 10, at the latest
