NORTH OF 60 CONFERENCE PROGRAM

8:30 AM

Registration

Take this opportunity to register for the event while networking with fellow conference attendees. Enjoy complimentary refreshments or your choice from the cafe.

9:00 AM

Opening Remarks

Join us for the welcome address, we'll cover important housekeeping details to ensure you have a smooth and enjoyable experience. We're excited to have you with us!

9:05 AM

Canadian Seed Growers Association Brianna Chouinard

Introduction to the CSGA, their national seed crop certification program and up coming Whitehorse Summer meeting 2026.

10:00 AM

Cover Cropping in the North Dr. Caley Gasch

Overview of benefits (and risks) associated with cover cropping, along with practical recommendations on fitting cover crops into a rotation at high latitudes. These insights are based on research trials and on-farm observations conducted in Alaska since 2023.

NORTH OF 60 CONFERENCE PROGRAM

11:05 AM

Biostimulants Dr. Av Singh

This practical session is all about biostimulants — natural substances that help your crops thrive by improving plant growth, stress tolerance, and quality.

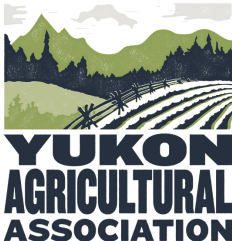

11:55 AM

Circumpolar Agricultural Conference 2025 Panel

Hear the highlight, take aways and connection made from the Yukon participants at the CAC 2025 conference.

12:30 PM

Lunch

Enjoy complimentary lunch, and networking with fellow attendees.

1:30 PM

Rotational Grazing: Principles & Pathways to Support Julia Smith

A high-level primer on rotational grazing plus an overview of funding and training resources available through the Climate Agri-Solutions Fund and the Farmers for Climate Solutions FaRM Learning Hub. This session sets the stage for Yukon-specific programming to roll out this winter and next spring.

NORTH OF 60 CONFERENCE PROGRAM

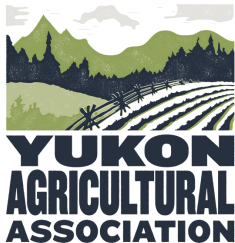

2:25 PM

Sustainable Roots of Your Ag Operation **Dan Trottier**

Cultivating sustainability through agriculture health and safety. Explore risk management strategies that make sense for your operation.

3:15 PM

Closing Remarks

As we wrap up the day, we hope you enjoyed the sessions and gained valuable insights. Thank you for being a part of this event!

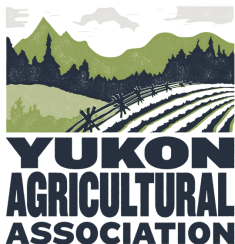

IN BETWEEN SPEAKERS

Speeches from 4h Spirit Riders

Adding a youth perspective, we will also hear 5 speeches from the Spirit Riders 4-H Club in between our presenters.

5:00 PM

Networking

Enjoy the garden centre, and mingle with fellow attendees until 5pm.
