This year's Yukon Farm Fair was an amazing success! With 600 people attending, it blew our expectations out of the water.

A heartfelt thank you to everyone who participated in our contests and competitions—your enthusiasm made the fair truly special!

We are grateful to Spirit Riders 4H for organizing the exciting Ag Olympics, and to Claire Ness along with the Yukon Circus Society for providing captivating entertainment.

A big shoutout to Dutch Handsome and the Ransoms for the fantastic background music that kept the atmosphere lively.

Thank you to Fasty and Tasty and Out of the Blue for serving up delicious food that kept everyone fueled throughout the event.

We also appreciate those who brought their farm animals—your presence was a delightful treat for all attendees. Special thanks to Randy Lamb for leading an informative Master Gardener Workshop.

Thank you, Nicole Bauberger, for hosting the youth activity Monster Parade, and to Monushots for beautifully capturing the event.

Last but certainly not least, our deepest gratitude to all the volunteers whose hard work and dedication made this event possible.

Finally, a sincere thank you to all the wonderful vendors who hosted booths at the fair and to our incredible sponsors whose support made this event possible!
